## Policy Document on Disabled Friendly, Barrier Free Environment

St. Ann's College considers it an honour to serve the differently abled members of the community. We have formulated a specific policy to keep the campus disabled friendly, and to take every possible measure to provide a barrier free environment to the Divyangjan:

- All the stakeholders of the college should consider the opportunity to serve the differently abled students as a privilege.
- The class to which a differently abled student is admitted should be shifted to a room to which she can have the easiest and shortest access.
- The students belonging to the Divyangjan need not approach the office for any administrative purpose.
- The administrative staff should meet the differently abled student in the classroom or at a spot most convenient for her to carry out her needs.
- It is the duty of all the staff and students to offer help to differently abled students without waiting to be requested to.
- No stakeholder should ever discriminate a student belonging to the Divyangjan.
- A subject-wise list of books should be provided to the differently abled students so that they don't have to search for the books they need in the racks.
- The vehicle of a differently abled student can come into the campus to the nearest point where her classroom is situated.
- Audio lessons should be provided to the differently abled students.
- Scribes should be allowed to the differently abled students on request.
- At the time of admission, a Helpdesk should be set apart for the differently abled students seeking admission.
- Ensure the accessible, gender-sensitive, safe, usable and functional washroom facilities should be provided for disabled persons.
- Provision for enquiry and information: Human assistance, reader, scribe, soft copies of reading material, screen reading.
