BRIEF HISTORY

St. Ann's College was started as a Junior College in 1976 Aug. 2nd, in the land donated by the Catex Oil Refinery. It was started with 28 students and 9 staff members on its roll, to provide education to the girls of Industrial area of Malkapuram and near by villages and also to the girls coming from the remote villages of A.P.

In the first year the classes were conducted in St. Joseph's School which is run by the same management Sr. Rosey Paul, M.A., B.Ed, was the first Principal and nine staff members were selected.

When the construction of the building was completed in July 1977, classes were shifted to this clean and green campus. Sr. Immaculate, M.Sc., B.Ed., took overcharge as Principal from the same year. In 1978 hostel was started for the girls who came from far away places. M.P.C. was added to the existing group in 1980. Our college was admitted into grant-in-aid in the same year.

In 1987 Sr. Immaculate was transferred to Vijayawada as she was elected as the Assistant Provincial and Sr. Tresa Mary, M.A., B.Ed., was appointed as Principal. In 1988 Vocational Course was added to the existing three groups. This course has helped our students to take up jobs immediately after the completion of their intermediate. Those who got good percentage have gone for B.Sc. Nursing and General Nursing.

With the phenomenal expansion of Visakhapatnam city the population is growing at very high rate and the existing college are not able to provide facilities to all the students who want to pursue degree courses, especially for women. From this point of view the proposal of the Management to start degree college for women, in the premises of St. Ann's Junior College was sanctioned with the effect from the academic year 1991 -92.

The college is located in an area of 7 acres. With total area of 29,307 Sqft.

In order to help our degree students to have better job opportunities computer course was introduced in the year 1993 - 94. Along with the degree they are completing PGDCA and are given certificates which have enabled many students to take up job in Computer field. The first batch of degree students brought laurels to our institution by their activities.

Seeing the demand for commerce subjects CEC group was started in Intermediate in the academic year 1997 - 98. Since applied sciences are favoured than the conventional subjects in 2000 - 01. Biotechnology and Microbiology were added to the existing B.Sc. Course.

After upgrading the College, the first floor was constructed with all the necessary labs for the degree. Today we have 850 students, 40 teaching staff and 18 supportive staff. Among the teaching staff 4 have put in 25 years of service and 5 are our alumnae.

To compete with the present changing educational scenario we have also introduced EAMCET coaching in 2008 and computers - DCA for Intermediate students in 2009. Seeing the demand for Vocational Courses we have added M.L.T. PsTT & C.S.E. to the Junior College and M.P.C. and MScs. to the Degree College.

Rev. Sr. Immaculate after her 20 years of valuable service as Superior General came back to college as the Correspondent with the effect from July 3rd 2007. Sr. Tresa Mary having rendered her valuable service to the college for 32 years retired and transferred. We have separate principals for both Inter and Degree. Sr. Prema, Principal of the St. Ann's Jr. College with the effect from 10/9/07 and Sr. Besly, Principal of St. Ann's Degree College with the effect from 1/6/08. At present Sr. Prema heads both Degree and Intermediate Colleges as Principal.

VISION

We envisage the development of young girls of today through value based wholestic education to champion the cause of justice, peace, love, truth and live in harmony with nature and are ever open to further growth.
