The reasons to partner Bajaj Finserv

About CPBFI

CPBFI is a customised training programme conducted by Bajaj Finserv for graduates, especially the first-generation graduates, across India. CPBFI aims to make these graduates employable for the Banking, Financial Services and Insurance (BFSI) sector. As per industry estimates, less than 50% of the graduates passing out of the colleges are ready for corporate roles. This poses challenges for graduates aspiring for a successful career and for industry looking for skilled employees. CPBFI aims to solve this dual challenge.

CPBFI is a 100-hour training programme designed by Bajaj Finserv in collaboration with industry experts, educational institutes and a leading mental health institute. CPBFI equips participants with the right attitude, skills and industry knowledge, thereby going beyond a typical skill development programme. Successful participants can apply for different roles in banks, finance companies and insurance companies. CPBFI prepares participants for the challenging customer-facing roles in sales, service and operations which offer maximum career opportunities and excellent growth prospects.

CPBFI is conducted by a pool of trainers with extensive industry and training experience. The courses are delivered using an experiential-learning approach based on adult-learning principles. Students are able to participate in the discussions, role plays and other group activities where they can sharpen their own skills and knowledge. CPBFI is short, practical and affordable which makes it accessible to every student. This unique combination of content and pedagogy makes CPBFI one of the best extra-curricular programmes that a college can offer its students.

The data, from the assessments by external recruiters and outcome of the 2 CPBFI Job Fairs, suggests that the CPBFI students are twice as likely to get a role in a corporate, compared to their peers. Bajaj Finserv is continuously working to take this number even higher. The Bajaj Finserv team is currently working towards setting up a placement division that can support the CPBFI participants' access to top recruiters through job fairs, walk-in drives and campus placements.

By partnering with Bajaj Finserv, colleges can not only enhance the career opportunities of the students, but also attract top companies to recruit from the college. An industry partnership can benefit the college by improving its NIRF and NAAC rating and its rank in the Best College Rankings by the different agencies. CPBFI is exclusively available to students and alumni of Bajaj Finserv's partner colleges.

BRIEF INFORMATION ABOUT NCSC FOR SC/ST, VISAKHAPATNAM

As per the recommendations of the Elayaperumal Committee (1969), while examining the problems of education of Scheduled Castes in the context of the progress achieved, had, inter- alia, recommended that the State Directors of Employment and Training should organize various training courses in typing, stenography, accountancy etc. to make the scheduled caste applicants more acceptable to the employers in the public and private sectors. The Committee had further suggested that some short courses for job seekers and also career guidance

Consequent upon the above recommendations, Coaching-cum-Guidance Centre for SC/STs was established in Hyderabad in 1980. However, after bifurcation of Andhra Pradesh, a new centre was set up in Visakhapatnam in 2017. The centre offers training in typewriting, shorthand, Pre-recruitment training Programmes, Monthly confidence building programs etc. In addition to the above programs, this centre will offer 11 months competitive examinations coaching to the clerical cadre posts in all organizations, "O" level computer software courses & "O" level Hardware courses with one year duration from this year. Stipend will be given to each trainee for the above three courses during the training period.
