Whereas

c) **St. Ann's College** for Women (Degree) is Christian minority institution established in the year 1991 under the management of St. Ann's charitable society with a vision of empowering girls and women coming from rural and industrial area through education.

The Institution aims not only to impart academic education but also to give holistic education and thus to bring out disciplined young women of sound moral character who will be an asset and credit to their family and to the country. It intends to foster an atmosphere of intellectual pursuit in which young women, irrespective of indifferences to work and mix together and attain excellence in their chosen field of study and in moral integrity. It aims to equip the students with new knowledge, new skills, new understanding and new learning habits with positive attitude. Our main thrust is to provide holistic education to empower the young girls to be the role models in the present world.

With phenomenal expansion of Visakhapatnam city, the population is growing at very high rate and the existing colleges are not able to provide facilities to all the students who want to pursue degree courses thus degree block was instituted in the year 1991 with the intention of imparting quality higher education. Initially we started with BSc (Chemistry, Botany, Bio Chemistry), B.Com (General), and B.A (History, Economics, Public Administration). In order to help our degree students to have better job opportunities certificate computer course PGDCA was introduced in the year 1993-94. The first batch of degree students brought laurels to our institution by securing 100 percentage in the public exam. Two of them received Gold Medals for securing highest marks in English & Hindi. Since applied sciences are favored than the conventional subjects in 2000-01 Biotechnology and

Microbiology were added to the existing B.Sc. Course. Later in the year 2011 Bio Chemistry was withdrawn and BSc MPC (Mathematics, Physics, Chemistry), MSCs (Mathematics, Statistics, Computer Science) were introduced. Catering to the options required by the upcoming batches course such as B.Com Computers (2015) and BSc CBZ (Chemistry, Botany, Zoology) (2018) were imparted.

II. IMPLEMENTATION PLAN:

Through this proposal St. Ann's college for women, Malkapuram (under the management of St. Ann's society) aims to reach out to students studying in Andhra Pradesh State Board of Secondary Education of Classes 9th, 10th and Intermediate (+1 and +2) in various schools and colleges in and around the vicinity of HPCL Visakh Refinery.

Criteria of enrolling students for the program

For enrolling the students for the After School Support Program the student must fulfil certain criteria which are as follows:

- The student should belong to either of 9th, 10th, 11th or 12th standards
- The student should be affiliated with the syllabus of SSC.
- The students shall be nominated by the schools and college in the vicinity of HPCL Visakh Refinery.
- The student should belong to Below Poverty Line. Relevant proof would be considered for confirmation.
- The students are required to have 35-50% in previous annual examination.
- The student should be resident of one of these 6 wards in the vicinity of HPCL-VR (Details of which are mentioned in the Annexure attached herewith).

Adding Value to Education:

The After-school program which shall be facilitated with technology-based tools, subject matter experts and education software. This would enable the educators to make education more interesting and meaningful.

Various audio-visuals would be used to impart lessons on academic subjects. The rationale behind it is to motivate children to develop interest in studies and to provide better understanding of the subject. Usage of audio-visual generated lessons will create an interest in the children to learn more about the subject.

Strength of the students to be enrolled:

A maximum of 40 students shall be enrolled under each class and 10 students shall be held in pool in case of dropouts if any. Hence the total strength of the students availing the benefits of the program shall be 160.

Infrastructure:

There would be a requirement of minimum of five classrooms which would accommodate the students, faculty and support staff of the after-school support program, which shall be provided by St. Ann's college for women, Malkapuram (under the management of St. Ann's society).

Memorandum of Understanding (MoU)

Between
Department of Biotechnology, DDU Gorakhpur University, Gorakhpur
and

St. Ann's College for Women, Malkapuram, Visakhapatnam
(Affiliated to Andhra University)

Department of Biotechnology, DDU Gorakhpur University, Gorakhpur and St. Ann's College for Women, Malkapuram, Visakhapatnam wishing to establish relations between the two institutions, agreed to cooperate with each other as follows.

Subject to mutual consent, the areas of cooperation will include any program offered at either institutions as thought desirable and feasible on either side and that both sides will contribute to the fostering and development of the cooperative relationship between the two colleges. Cooperation shall be carried out through such activities as:

1. Exchange of faculty and/or staff
1. Exchange of students
2. Joint research activities and publications
3. Participation in seminars and academic meetings
4. Exchange of academic materials and other information
5. Special short-term academic programs

The terms of cooperation for each specific activity implemented under this MoU for Cooperation shall be mutually discussed and agreed upon in writing by both college and u prior to the initiation of that activity. Any such MoUs entered into, as outlined above, will form appendices to this MoU for Cooperation.

The university and college hereby agree on the following articles to establish the Exchange Program,

I. STUDENT EXCHANGE

1. The aim of the exchange program is to provide students an opportunity to have experience of international cooperation and exchange, as well as to gain a better understanding through education.
2. The term of study for exchange students participating in this program shall be one academic year, but may be extended with the consent of both university and college.
3. The number of students exchanged under this MoU shall be no more than three students at each college. The total number of mutual exchange students will be about the same from each institute during the term of five years.
4. The host institute has the right to decide acceptance of exchange students, by taking account of recommendation issued from the home institute for exchange students based on their academic record.
5. The host institute will waive application fees, entrance fees, and tuition fees of the exchange students. Transportation, accommodation, food, clothing and other personal costs including the medical health insurance and medical care will be the personal responsibilities of the students themselves. However, the host institute may change the amount for providing a laboratory, library, internet facilities etc. The amount will be intimated at the time of making an offer.
6. The host institute shall reserve or make available accommodation on campus exchange students or assist them in locating suitable housing off campus if they so desire.
7. The exchange student is treated as either the research student or specially registered student.
8. The exchange students will be subject to the student rules at the host college, while on exchange. Exchange students will be offered the same facilities as local students.
