BRIEF HISTORY

St. Ann's College was started as a Junior College in 1976 Aug. 2nd, in the land donated by the Caltex Oil Refinery. It was started with 28 students and 9 staff members on its roll, to provide education to the girls of Industrial area of Malkapuram and near by villages and also to the girls coming from the remote villages of A.P.

In the first year the classes were conducted in St. Joseph's School which is run by the same management Sr. Rosy Paul, M.A., B.Ed., was the first Principal and nine staff members were selected.

When the construction of the building was completed in July 1977, classes were shifted to this clean and green campus. Sr. Immaculate, M.Sc., B.Ed., took overcharge as Principal from the same year. In 1978 hostel was started for the girls who came from far away places. M.P.C. was added to the existing group in 1980. Our college was admitted into grant-in-aid in the same year.

In 1987 Sr. Immaculate was transferred to Vijayawada as she was elected as the Assistant Provincial and Sr. Tresa Mary, M.A., B.Ed., was appointed as Principal. In 1988 Vocational Course was added to the existing three groups. This course has helped our students to take up jobs immediately after the completion of their intermediate. Those who got good percentage have gone for B.Sc. Nursing and General Nursing.

With the phenomenal expansion of Visakhapatnam city the population is growing at very high rate and the existing college are not able to provide facilities to all the students who want to pursue degree courses, especially for women. From this point of view the proposal of the Management to start degree college for women, in the premises of St. Ann's Junior College was sanctioned with the effect from the academic year 1991 -92.

The college is located in an area of 7 acres. With total area of 29,307 Sqft.

In order to help our degree students to have better job opportunities computer course was introduced in the year 1993 - 94. Along with the degree they are completing PGDCA and are given certificates which have enabled many students to take up job in Computer field. The first batch of degree students brought laurels to our institution by their activities.

After upgrading the College, the first floor was constructed with all the necessary labs for the Degree. Today we have 1,500 students, 60 teaching staff and 20 supportive staff.

The Pioneers especially the Principals laid a very good foundation to the standards of the Institution. Rev. Sr. Immaculate, the first Principal after her 20 years of valuable service as Superior General came back to college as the Correspondent with the effect from July 3rd 2007. Sr. Tresa Mary having rendered her valuable service to the college for 32 years retired and transferred. Later we had Sr. Belsy and Sr. Christy as Principals. At present we have separate principals for both Inter and Degree. Sr. Prema, Principal of the St. Ann's Degree College and Sr. Janice, Principal of St. Ann's Junior College.

LIGHT OF THE WORLD

Light of the world, You stepped down into darkness
Opened my eyes, let me see
Beauty that made this heart adore You
Hope of my life spent with You

And here I am to worship
Here I am to bow down
Here I am to say that You're my God
You're altogether lovely
Altogether worthy
Altogether wonderful to me

King of all days
Oh, so highly exalted
Glorious in heaven above
Humbly You came to the earth You created
All for love's sake became poor

And here I am to worship
Here I am to bow down
Here I am to say that You're my God
You're altogether lovely
Altogether worthy
Altogether wonderful to me

I'll never know how much it cost
To see my sin upon that cross
(4x)

WHERE THE MIND IS WITHOUT FEAR

**Cho: In to that heaven of freedom, my Father, let my
country awake**

Where the mind is without fear and the head is held high

Where knowledge is free

Where the world has not been broken up into fragments

By narrow domestic walls

Where words come out from the depth of truth

Where tireless striving stretches its arms towards perfection

Where the clear stream of reason has not lost its way

Into the dreary desert sand of dead habit

Where the mind is led forward by thee

Into ever-widening thought and action

By Rabindranath Tagore
