**26. Title of the Event : Writing Skills**

**Date : April 4,2024**

**Organized by:** Department of Commerce

**Venue:** St. Ann's College for Women

**Number of Participants:** 80

**Detail Description of the Report:**

On April 4, 2024, the Department of Commerce conducted a **Notice Writing Activity** for the I B.Com students. The primary objective was to help students understand the structure, tone, and format of writing notices by providing practical examples. To facilitate this learning process, students were asked to bring

either a **wedding card invitation** or a **birthday card invitation**, which served as real-life examples for drafting notices. The activity was highly interactive, with students actively participating and discussing the nuances of notice writing. By using these practical examples, students gained a deeper understanding of the appropriate language and structure to be used in formal notice writing. This hands-on approach not only enhanced their writing skills but also helped them connect theoretical knowledge with practical applications, making the learning experience more engaging and effective.
