DOCUMENT-4 SOP OF LABORATORIES

Standard Operating Procedures for

Different Laboratories:

Chemistry Laboratory

Procurement of Equipment / Chemicals / Glassware

- Internal purchase committee is constituted.
- Requisition from faculty for requirement of equipment / Chemicals / Glassware in every academic year is taken.
- The lab-in-charges inform the teacher- in-charge about the stock of chemicals.
- Call for quotations are put up on the website or purchased under limited quotations.
- Comparative statement is prepared on the basis of price quoted and require specifications.
- Order is placed through Principal's office.
- The equipment and chemicals are entered in the main stock register of the store along with bill number and on the bill, page number of the stock register under the head consumables and non- consumables.
- Issue slip books are kept in each lab where teachers fill up their requirements.
- The required chemicals and equipment's are then deducted from the main stock register.

Issue of Glassware to students

- Issue forms are issued to the students (form attached).
- Teachers verify them.
- Lockers are issued to the students and the number of the locker is noted down against each student in a register.
- Glass apparatus are issued to the students which are kept in the locker.
- A breakage register is maintained in each lab where broken equipment is recorded with the students and teachers signature.
- Chemical prepared in each lab is also maintained in a register.
- Record of apparatus issued on daily basis are recorded in a separate register.

Maintenance

- Dusting of equipment and working area are carried out on a regular basis
- Maintenance of equipment is carried out every two months.
- Working condition of equipment is routinely checked.

Computer Science Laboratory

Principal
St. Ann's College for Women
Malkapuram, Visakhapatnam-530011

ST.ANN'S COLLEGE FOR WOMEN

Malkapuram, Visakhapatnam-530011

- The computers are issued from the office.
- Serial number of issued computers are entered in the register.
- A number is assigned to each computer against their serial number.
- The students duly enter the Check-in time and Check-out time.
- The computers are maintained on a regular basis.
- The laptops are issued from the office.
- Serial number of issued laptops are entered in the register
- A number is assigned to each laptop against their serial number.

Issue of laptops

- Laptops are issued to the students against their I-cards.
- Student roll-number and laptop number are recorded in the register duly signed by the Students.
- Maintenance of Laptops is carried out on a regular basis

Physics Laboratory

Procurement of Equipment

- Internal purchase committee is constituted.
- Requisition from faculty for requirement of equipment's in every academic year is taken.
- Call for quotations are put up on the website or purchased under limited quotations
- Comparative statement is prepared on the basis of price quoted and specified technical specifications.
- Order is placed through Principal's office
- The equipment's are entered in the main stock register of the store under the heads consumables and non-consumables.
- The teachers are required to fill up a form for the issue of equipment. Equipment are then issued to different Labs where they are again recorded in each Lab stock register.

Issue of equipment to the student

- From each laboratory, the required apparatus is then issued to the students (keeping I card as a record) after duly entering in a register.
- A breakage register is maintained in each lab where broken equipment is recorded with the students and teachers signature.

Document No-7: Approved SOP Of Safety Measures

SOP OF COLLEGE MAINTENANCE

CLASSROOMS

- All Class Rooms are cleaned every day before the classes commence;
- The Class Rooms are well knit and lighting facilities are regularly inspected;
- All classrooms are well ventilated

WATER PURIFIER

- Constant supply of safe drinking water
- Potable water is provided for 24 hrs. through water purifier fitted to the coolers.

WASTE MANAGEMENT:

Hazardous waste management

- No such formal mechanism to dispose of hazardous waste in the College. The Chemistry department of the College does not use any carcinogenic chemicals in their laboratory.
- Encouraging the use of cloth/jute bags that are biodegradable
- Waste bins are kept at strategic points in the College in order to check littering.
- Disposal of biological waste of laboratories after autoclaving.

GARDEN MAINTENANCE

- There is a full time maintenance manager with an assistant and full sweepers.
- Duly appointed gardening staff maintains greenery in the college
- Gardening supplies are routinely procured through the standard procedure for financial matters.

FIRST AID/ EMERGENCY MEDICINE

- The college has a fully furnished Medical Room with a bed, weighing machine, first aid box, BP measurement
- Ice pack for sports injuries are available.
- Health and hygiene committee periodically organises health checkup camps for the students and staff members.
- For serious casualties, the students are taken to the nearby St. Ann's hospital

FIRE EXTINGUISHER

- The college is well equipped with fire extinguisher near laboratories to prevent fire accidents.
- The fire extinguisher are visually inspected once a month.
- Professional inspection is carried out once in every six years
