

6.2.1 Strategic plan is effectively Deployed

Student Crafted SCIENCE NARRATIVE

Our institution provides a diverse range of opportunities for students to hone their skills and advance their knowledge. One such opportunity is the prospect of composing and publishing a book. Students undergo comprehensive training to ensure that their publications contain precise and thorough information, in adherence to academic standards. Once printed, the college management releases these books, which fosters a sense of accomplishment and motivation among the students. This initiative has resulted in a positive and encouraging environment for writing and publishing and highlights our commitment to empowering our students with the tools and resources they need to succeed. This year the students of Biological Sciences wrote six books on Mushroom Cultivation, Floriculture, Landscaping, Aquaculture, Apiculture and Sericulture.

It was released on 16th March under the mentorship of Dr. G. Adi Seshu(Head, Dept. of Botany) and Mrs. M. Lakshmi Tulasi(Head, Dept. of Zoology).

24 APR 2024

Sub: - Conferment of Autonomous Status to St Anns College for Women, Malkapuram, Visakhapatnam affiliated to Andhra University.

Sir/Madam,

This has reference to the proposal submitted by St Anns College for Women, Malkapuram, Visakhapatnam affiliated to Andhra University for conferment of autonomous status.

The Commission at its meeting held on 16.04.2024 has approved the recommendation of the Standing Committee on Autonomous Colleges to confer the autonomous status to **St Anns College for Women, Malkapuram, Visakhapatnam affiliated to Andhra University** for a period 10 years from the academic year 2024-2025 to 2033-2034 as per clause 7.5 of the UGC (Conferment of Autonomous Status Upon Colleges and Measures for Maintenance of Standards in Autonomous Colleges) Regulations, 2023.

The University, is therefore, requested to issue necessary notification within 30 days regarding the grant of autonomous status to the College as per UGC (Conferment of Autonomous Status Upon Colleges and Measures for Maintenance of Standards in Autonomous Colleges) Regulations, 2023.

The autonomous college is required to abide by all the provisions of the UGC Regulations for Autonomous Colleges. The Regulations are available on the UGC website, www.ugc.gov.in. Noncompliance of the requirements and conditions prescribed in the said Regulations shall attract action as per Clause -13 of the UGC (Conferment of Autonomous Status Upon Colleges and Measures for Maintenance of Standards in Autonomous Colleges) Regulations, 2023. The college should apply to University Grants Commission for extension of autonomous status at least three months before the completion of autonomy period.

Yours faithfully,

(Dr. Gopi Chand Marugu)
Deputy Secretary

STUDY EARN SCHEME

Students can earn while they learn, instilling confidence and empowering them to become more proficient in the future. The program's primary goal is to help students add value to their education, acquire vocational skills, and learn self-management.

SKILL BOOSTERS

These courses provide students with supplementary skills and knowledge beyond their core curriculum, equipping them for real-world challenges and enhancing their employability. Taught by industry experts, these courses aim to broaden students' skill sets and empower them to excel in their chosen fields.

St. Ann's College for Women Malkapuram, Visakhapatnam -11

Student Opportunities

As part of our educational program, students are afforded numerous opportunities to showcase their talents and develop their skills. They receive comprehensive training in various sports and have the chance to refine their abilities under the guidance of the experienced trainer Mrs. A. Sandhya Rani. Furthermore, the students are allowed to participate in both state and national-level competitions, which serve as a platform for them to display their skills and compete against exceptionally skilled individuals. The primary objective of these events is to enable the students to demonstrate their talent, develop their self-confidence, and earn recognition for their diligence and commitment. Additionally, the college has organized a games period for the students to engage in practice sessions, while also hosting an annual sports week, which promotes physical fitness and encourages students to participate in various sports and games.

VOLLEYBALL MATCH

St. Ann's clinched both the trophy and a cash prize as champions of the volleyball competition in the Visakhapatnam Archdiocese.

NATIONAL CHAMPIONSHIP

S. Lohitha (III B. SC(MPC)) of St. Ann's College for women won the T-ten overarm Cricket Senior National Championship -2023.

INTERNATIONAL CHAMPIONSHIP

Rajeshwari (I BA (Political Science)) won the first prize in the 19th WKI International Karate Championship-2023 at Port Stadium, Visakhapatnam

INTERCOLLEGIATE COMPETITION

Nine students from St. Ann's College for Women bagged third place in the Andhra University Intercollegiate Handball team selections at AVN College.

SOUTH ZONE INTER UNIVERSITY TOURNAMENT

Niharika(II BBA) participated in the Volleyball Championship at Sri Padmavati Mahila Visva Vidyalayam.

CHESS

M. Amulya, III B.SC(MSCS) participated in the Chess Championship at Dr. Ambedkar Law University, Tamil Nadu.

Student Opportunities

Field trips are educational activities outside the classroom, enhancing students' understanding and providing practical experience. They help develop empathy and tolerance and promote stress-free learning, allowing critical thinking, problem-solving, creativity, and innovation. We encourage field trips to promote experiential and contextual learning, such as visiting zoos, museums, banks, factories, and other places that can benefit students' academic and professional lives.

Community Outreach

Outreach & Engagement Initiatives

NATIONAL SERVICE SCHEME

A youth development program in India that instills community service and social responsibility in student youth. Our college introduced NSS in 1987 with 100 volunteers, and it has grown to include three units. NSS offers activities that develop leadership skills and engage students with the community. NSS has received numerous accolades at various levels, thanks to the hard work of Ms. EPS Bhagya Lakshmi (NSS DPO) and Ms. Y. Anasuya Devi (NSS PO) and student volunteers. NSS plays a crucial role in shaping the character of our students and preparing them to become responsible citizens.

Outreach for the needy through monetary support

Outreach & Engagement Initiatives

The college is dedicated to empower women and girls from all backgrounds, including those raised by guardians or single parents, through our various initiatives. Summer camps are organized to provide life skills to the underprivileged girls. Project Kobler is also another such initiative that offers fee concessions to students with single parents. Additionally, we provide free education and hostel facilities to orphans. The charitable efforts extend beyond our students, as the college organizes outreach programs to visit orphanages and old age homes on important days.

Outreach & Engagement Initiatives

STUDENT TRAINING AND NEIGHBOURHOOD DEVELOPMENT (STAND)

The institution's core mission of fostering sensitivity, alertness, and service in students is evidenced through various initiatives and events. Through programs like STAND, students are exposed to the realities of marginalized communities, instilling in them a sense of empathy and duty towards societal welfare. Visits to slums, orphanages, and special schools broaden their perspective and nurture a spirit of service for the less fortunate. Fundraising events like the Food Fest and Peacock Day not only engage the broader community but also serve as platforms for students to actively contribute to social causes. The substantial funds raised are judiciously utilized to support initiatives such as providing free uniforms, sports jerseys, and sponsoring education for underprivileged children.

Knowledge Sharing and Research

STUDENT RESEARCH

Working alongside experienced mentors, students can gain practical experience in their chosen field, developing research questions, designing experiments, collecting and analyzing data, and interpreting their findings. Our mentors are trained to provide students with guidance and feedback throughout the research process, ensuring that they gain a deep understanding of their subject matter and develop the skills they need to succeed in their future careers.
