Agenda points for discussion

The meeting began with the prayer

- **AQAR:** AQAR status for the year 2022-2023 was submitted in March, certain observations were made and decisions on few important points like QLM should be modified, information should be captured before hand itself, every month updation of reports should be done.
- **International Conference:** After discussion with committee members we decided to have the two days international seminar in the month of January in a large scale that gathers experts, academics, researchers and professionals from our college and other college where they can discuss and present their findings on the specific topic.
- **Environmental Programs:** It was decided to implement the programs which should be taken place outside the college premises, in the new areas and specially in collaborations with near by industries and NGO's.
- **Mini research projects:** It was informed that students should concentrate and work for more mini projects. It was also decided that in order to increase more projects we can have a collaboration with industries and other research institutions to get more in number.
- **Internship & field trip:** It was decided to follow certain rules for internship programs and field work with other institutions or companys should have the proper channel by submitting the letters from that particular institutes.
- **Faculty exchange and student exchange programs :** It was determined to initiate atleast two faculty and student exchange programs with the institutions with whom memorandum of understanding have been established

STUDENTS FEEDBACK ON CURRICULUM

Department:	Academic year:
Course Name and code:	Semester:
Name of Student:	Course: UG

Please give your valuable feedback on curriculum to improve quality of the program. Select your ranking on the scale of 1 to 4 for each of the following parameters.

(Please mark (√) in the relevant boxes)

A -Excellent, B- Very Good, C - Good D- Average

Feedback on Course

S.No.	Particulars	A	B	C	D
1	The syllabus was appropriate and up to Date.				
2	The allocation of the subjects to the course is appropriate in relation to the course work.				
3	The depth of the course content is adequate in relation to the expected Course Outcomes (COS).				
4	Almost entire syllabus was covered in the class by the teacher.				
5	The units/sections in the syllabus are appropriately sequenced.				
6	Syllabus is equipped me with necessary knowledge to face the day to day problems in the job.				
7	The syllabus enabled me to improve my ability to formulate, analyze and solve problems.				
8	Syllabus inculcated necessary moral values and concern for the society.				
9	The recommended textbooks are adequately available onto the syllabus.				
Feedback on Library, Labs and equipment.					
10	The library, labs and experiments enhanced my understanding of the skills and enabled me to relate theory to practice (Experiential learning).				

Recommendations for course improvement (Please specify topics that should be added/dropped from the course, new books to be recommended, changes in teaching scheme and experiments, etc. if any)
